

April 2017

Dear Firefighter,

On behalf of the Calgary Firefighters Benevolent Society, I would like to welcome you to the third annual Firefighter Stairclimb Challenge in Calgary, Alberta at the BOW tower.

As a firefighter, you are often required to climb stairs as a routine part of your job. By participating in this challenging athletic event, you again are helping others. Your participation in the Firefighter Stairclimb Challenge will help support fellow brother and sister firefighters who are in need, and anyone living with cancer. As you know the occupation of firefighting has many risks, not least of which is cancer. Proceeds from this event will be used to help support programs that assist firefighters and other citizens who are stricken with this terrible disease and who can be supported through Wellspring Calgary.

The Calgary Firefighters Benevolent Society is an organization committed to helping firefighters and their families cope with a variety of medical and health conditions. We are proud to be a supporter of this event and wish you the best of luck on climb day.

We thank you for your participation and especially for making this event possible!

Sincerely,

Ian Crosby  
Board Member  
Calgary Firefighters Benevolent Society
